# Alies PHOTOGRAPHY STUDIOS

# Children And Family Portraits

Children's photography sessions are always a good time. I love bringing out a child's personality — no matter how young he or she might be. Typically, one of a parent's biggest "fears" when it comes to their portrait session is a.) Forcing their child into something they don't want to do and b.) Having a child not participate in the session at all. Let me calm your fears.

# Maternity Session

MATERNITY PHOTOS ARE A CHANCE TO CELEBRATE YOUR PREGNANCY JOURNEY Pregnancy may not be a phase of your life you enjoy, especially in the last few months. As your belly gets bigger, you may not want any photos of yourself taken and feel like you wouldn't want to share images with friends and family.

Perfect package if you wish to preserve the memories of the most special time of your life.
